UCA Coin digital cash card with a value of 500€

We make entering the world of crypto currencies (almost) as easy as buying a bottle of water. In just a few clicks you are the proud owner of a crypto currency (UCA COIN). This is an ideal opportunity for many small investors to participate in the crypto market with micro-investments. It is always crucial when you activate your card and not the purchase.

The exchange rate of the UCA Card is currently € 0.02. We reserve the right to adjust the rate in the future. Please note that the exchange rate is only fixed for you after activation. If between purchase and activation if the rate is adjusted, the last rate set by us shall apply.

The exchangerate for the UCA Card is currently 0.02€. We reserve the right to adjust that rate in the future. Please be aware, that the rate is only locked in after you activated your card. Should the rate be adjusted between purchase and activation, the last rate that we defined counts.
